Gentlemen:

You have caused two wells to be drilled, State No. 1 and State No. 2, both in Section 28, Township 15 North, Range 34 East, Quay County, New Mexico, and have abandoned said wells without proper plugging and without approval of the Oil Conservation Commission for temporary abandonment. The latest report of any drilling activity was in December, 1969 and, therefore, you are called upon to make immediate arrangements for plugging both wells in accordance with Rule 202 (c) of the Commission Rules and Regulations. You will be allowed reasonable time in which to comply to Rule 202 (c) but a reply to this letter is expected by May 31, 1973. Should you decide to ignore this matter, it will be turned over to the legal department for further action.

Very truly yours,

J. E. Kapteina
