Gentlemen:

On August 26, 1971, you were granted approval to drill the No. 1 Federal Cherokee "D" well in the NE $\frac{1}{4}$ SE $\frac{1}{4}$  sec. 19, T. 15 N., R. 36 E., Quay County, New Mexico, on Federal oil and gas lease NM 13549. We have received reports from various sources indicating this well has been drilled and plugged as a dry hole.

Since approving your "Notice to Drill" this office has received no reports from you indicating that any drilling operations on the well were commenced. If the well has been drilled, you are requested to promptly contact this office and provide us with all necessary information on the well.

Sincerely yours,

  
Jerry W. Long  
District Engineer
