

OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

WORLDWIDE UNIVERSITY

1994-1995

2000 M. A. in Education

The purpose of the M. A. in Education program is to provide students with a broad understanding of the field of education and to prepare them for careers in education. The program is designed to be completed in two years of full-time study. Students are required to complete a minimum of 30 credit hours, including 12 hours of core courses and 18 hours of elective courses. The core courses are designed to provide students with a solid foundation in the field of education, while the elective courses allow students to specialize in a particular area of interest. The program is open to students who have completed a bachelor's degree in any field. Students who are interested in applying to the program should contact the admissions office for more information.
