Hello,
Not being used to public commenting, I didn't introduce myself to you. I am a retired Professor of Geography and Human Environmental Studies, San Francisco State University. I have taught a climate change course at the University. Since December 2010, I have lived in Santa Fe.

Yes, please. I would like to reschedule for tomorrow. Is 11:00am – 12:00pm open?

I just looked at the EMNRD website and found this number under Oil and Gas: [505-476-3441](tel:505-476-3441). Is this the one to use?

Ms. Foschi, your name was called for comments today. You were supposed to call in to the number listed in the online scheduling order on our website for today's hearing. Please let me know if you would like to be rescheduled for tomorrow.

I am sorry for the confusion.

Hi, Florene,

I never received a call from anyone today and never got any instructions for some other way of communicating. What happened? Can you help?
