2 HEARING EXAMINER BRANCARD: All right. Let's
3 call this to order. This is January 7th, 2021, a meeting
4 of the Oil Conservation Division hearings.

5 This is a recorded hearing. We have a
6 court reporter, so don't mumble like I'm doing. Be clear.

7 We have about 50-some-odd cases today,
8 depending on how you count them, and hopefully we can get
9 through them all and not have to go as late as Congress
10 did last night. So if there are any disruptions in your
11 video or can't get through, don't bother me, I have no
12 idea how to do it. Check with Dylan or Marlene whether
13 they could hopefully work you through the issues here.

14 We are broadcasting live here from 1220
15 South St. Frances, which you know it still exists.
16 Therefore that means you are not here, which means you're
17 all responsible for figuring out bathrooms and where the
18 emergency exits are.

19 Ms. Macfarlane, if you need breaks, let me
20 know.

21 There are two docket sheets on the website.
22 One is the original docket list and the second, a
23 spreadsheet that was posted yesterday. We will be working
24 off the spreadsheet.
