APPLICATION

Devon Energy Production Company, L.P., (“Devon”), OGRID No. 6137, through its undersigned attorneys, hereby files this Application with the New Mexico Oil Conservation Division (“Division”), pursuant to Paragraphs 13 and 14 of Division Order No. R-21081-A, in order to reopen Case No. 21266, and request a one-year extension of the well commencement deadline in the Order, which was issued May 20, 2020. This Order pooled all uncommitted interests in the Bone Spring formation underlying the W/2 of Section 24, Township 23 South, Range 32 East, NMPM, Lea County, New Mexico (“Subject Lands”), and granted Devon the operating rights for development of these lands as a unit. Paragraph 14 of the Order allows for an extension by an amendment for good cause shown. Division Order No. R-21081-A was issued to pool the uncommitted interests in the Subject Lands and to conform existing Order No. R-21081, issued from Case Nos. 20793, to the terms of the Division’s updated pooling order template.

In support of its Application, Devon states the following: (1) Devon is in good standing under state-wide rules and regulations with respect to Order No. R-21081-A; (2) Devon has made progress toward developing the unit by accomplishing a trade that has provided Devon with 100% of the working interest in the unit, and the remaining interest owners subject to the

pooling order are owners of overriding royalty interests; (3) Devon has experienced changes in its drilling schedule due to COVID-19 and current market conditions; and (5) Devon will continue to work with the remaining interest owners and provide them with an updated Order, with Extension, if granted.

WHEREFORE, Devon respectfully requests that this Application be set for hearing before an Examiner of the Oil Conservation Division on March 4, 2021, and after notice and hearing as required by law, that, based on good cause shown by Devon in enumerated Items (1) through (5) above, the Division amend Order No. R-21081-A, in a manner that provides for a one-year extension of the well commencement deadline, through May 20, 2022, and affords Devon the opportunity to continue its development of the unit without interruption.

Respectfully submitted,

10. The Unit shall be dedicated to the Well(s) set forth in Exhibit A.
11. Operator is designated as operator of the Unit and the Well(s).
12. If the location of a well will be unorthodox under the spacing rules in effect at the time of completion, Operator shall obtain the OCD's approval for a non-standard location in accordance with 19.15.16.15(C) NMAC.
13. The Operator shall commence drilling the Well(s) within one year after the date of this Order and complete each Well no later than one (1) year after the commencement of drilling the Well.

17. No later than thirty (30) days after Operator submits the Estimated Well Costs, the owner of a Pooled Working Interest shall elect whether to pay its share of the Estimated Well Costs or its share of the actual costs to drill, complete and equip the well ("Actual Well Costs") out of production from the well. An owner of a Pooled Working Interest who elects to pay its share of the Estimated Well Costs shall render payment to Operator no later than thirty (30) days after the expiration of the election period, and shall be liable for operating costs, but not risk charges, for the well. The Operating Charges shall be considered final unless an owner of a Pooled Working Interest files a written objection no later than forty-five (45) days after receipt of the schedule. If an owner of a Pooled Working Interest files a timely written objection, OCD shall determine the Operating Charges after public notice and hearing.

AFFIDAVIT OF ANDY D. BENNETT

STATE OF OKLAHOMA)
) ss.
COUNTY OF OKLAHOMA)

I, being duly sworn on oath, state the following:

1. I am over the age of eighteen years and have the capacity to execute this Affidavit, which is based on my personal knowledge.
2. I am employed as a Senior Staff Landman with Devon Energy Production Company, L.P. (“Devon”), and I am familiar with the subject application and the lands involved.
3. I graduated from the University of Oklahoma with a Bachelor’s degree in Business (Energy Management) in 2008. I have worked at Devon for approximately 12 years, and I have been working in New Mexico for 2 1/2 years. My credentials as a petroleum landman have been accepted by the New Mexico Oil Conservation Division (“Division”) and made a matter of record.
4. This affidavit is submitted in connection with the filing by Devon of the above-referenced application to reopen Case Nos. 21266 and amend Order No. R-21081-A in order to allow a one-year extension of the well commencement deadline. (Order No. R-21081-A

conformed Order No. R-21081, which the Division issued in Case No. 20793, to the new Division template.)

5. Devon is in good standing under state-wide rules and regulations with respect to Order No. R-21081-A, and good cause exists for Devon's request for a time extension, for the following reasons: (1) Devon is in good standing under state-wide rules and regulations with respect to Order No. R-21081-A; (2) Devon has made progress toward developing the unit by obtaining drilling permits from the Bureau of Land Management for the four (4) Bone Spring wells that Devon originally proposed; (3) Devon has also accomplished a trade by which Devon acquired 50% working interest in the unit so that Devon now owns 100% of the working interest in the unit; the remaining interest owners subject to the pooling order are owners of overriding royalty interests (4) Devon has experienced changes and logistical delays in its drilling schedule due to COVID-19 and fluctuating market conditions; and (5) Devon will continue to work with the remaining interest owners and provide them with an updated Order, with the Extension, if granted.

6. Pursuant to Paragraph 13 of Order No. R-21081-A, Devon is required to commence drilling its initial well by May 20, 2021. Based on the good cause set forth herein, Devon requests that the Division amend Order No. R-21081-A to provide for a one-year extension of the initial well commencement deadline, extending that deadline through May 20, 2022, as contemplated by Paragraph 14 of the Order.

7. Devon, through its counsel, timely notified all pooled parties of Devon's request to re-open the Order for the purpose of extending the well commencement deadline. No objections have been made and Devon does not anticipate any objections. Devon has also timely published notice in the Hobbs News-Sun, a newspaper of general circulation for Lea

County, New Mexico. There were no unlocatable parties purportedly owning overriding royalty interests.

8. The granting of this Application is in the best interests of conservation, the prevention of waste, and the protection of correlative rights, and will avoid the drilling of unnecessary wells.

9. The foregoing is correct and complete to the best of my knowledge and belief.

FURTHER AFFIANT SAYETH NAUGHT

Andy D. Bennett, being duly sworn, upon oath, states that the information contain in herein is true and correct to the best of my knowledge, information, and belief.
