APPLICANT'S STATEMENT OF CASE

In **Case No. 21824**, Centennial seeks to pool additional interest owners under the terms of Order No. R-21563. Division Order No. R-21563 ("Order"), entered December 9, 2020, in Case No. 21535, created a 240-acre, more or less, standard horizontal spacing unit in the Wolfcamp formation underlying the W/2 W/2 of Section 22 and the W/2 NW/4 of Section 27, Township 24 South, Range 34 East, NMPM, Lea County, New Mexico ("Unit"), and designated Centennial as

operator of the Unit. The Order dedicated the spacing unit to the initial **Romeo Federal Com #701H Well**, from a surface location in the NW/4 NW/4 (Unit D) of Section 22 to a bottom hole location in the SW/4 NW/4 (Unit E) of Section 27, and completed at a standard location. Since the entry of the Order, Centennial has determined there are additional interest owners in the Unit who were not provided notice of the hearing in Case No. 21535, and as result, whose interests were not pooled by the terms of the Order. Centennial seeks to pool these additional interests because a voluntary agreement has not been reached at the time of filing.
