**PROCEDURAL ISSUES**

These cases were originally set for the April 8, 2021 Examiner Docket. Burlington Resources Oil and Gas Company, LP (Burlington) and Max Permian, LLC (Max Permian) and Starboard Permian Resources, LLC (Starboard) entered appearances in these cases, and requested that the cases be continued to April 22, 2021. Franklin agreed and filed continuances for these cases through the April 22, 2021 docket. Franklin has been in discussions with Burlington, Max Permian, and Starboard. As of the time of filing, none of the above mentioned parties have formally requested a continuance from Franklin nor have they stated that they oppose these cases being presented by affidavit. As a result, Franklin’s intent, at this time, is to put these cases on by affidavit at the April 22, 2021 hearing.

Respectfully submitted,
