SCHEDULING ORDER

This Scheduling Order follows a hearing held before an Oil Conservation Division (“Division”) Hearing Examiner on August 5, 2021.

1. At the hearing on August 5, 2021, counsel for Colgate Operating, LLC (“Colgate”) stated that several items were missing from the application and Colgate would need time to submit these items. The items include C-102 forms and documentation of published notice of the application. Counsel for Colgate agreed to publish notice of the application because Colgate did not have documentation that all interest owners had received direct notice.

2. The above listed cases will be continued to the September 9, 2021 docket to provide Colgate with the opportunity to submit the required documentation.

3. Any requests to reschedule the status conference shall be treated as a request for continuance and filed in writing through the Division fee portal.
