C O N T E N T S

EGL RESOURCES, INC.:	PAGE
CASE CALLED:	3
CONTINUED TO OCTOBER 21, 2021:	4

1 (Time noted 9:16 a.m.)

2 EXAMINER BRANCARD: With that I think we're  
3 going to start with a few cases of -- these are late  
4 filings for continuances. We will start with No. 1 and 2,  
08:33:56 5 which would be Cases 22114 and 22115, EGL Resources.

6 Mr. Padilla, are you with us?

7 MR. PADILLA: Yes. Yes, I am, Mr. Examiner.  
8 Ernest L. Padilla for EGL Resources, Inc.

9 EXAMINER BRANCARD: All right. And you filed an  
10 unopposed motion to continue to October 21?

11 MR. PADILLA: That's correct.

12 EXAMINER BRANCARD: Do you see this as a  
13 contested matter?

14 MR. PADILLA: Uhm, not yet. I don't think there  
08:34:27 15 are any competing applications. Mr. Feldewert would be  
16 more in tune with that.

17 EXAMINER BRANCARD: Mr. Feldewert, you are here  
18 on behalf of XTO and MRC; is that correct?

19 MR. FELDEWERT: Yes, sir.

20 EXAMINER BRANCARD: Do you see this as a  
21 contested case?

22 MR. FELDEWERT: I don't know yet. I think the  
23 other thing that's going on, as I understand it, Mr.  
24 Padilla, is that there's now a new applicant for these  
08:34:59 25 matters based on the recent filings, so I believe that's

1 spawning some additional discussions.

2 So I would think at this point, Mr.  
3 Brancard, it would make sense just to continue it to the  
4 October 21st docket.

5 EXAMINER BRANCARD: All right. That's a pretty  
6 crowded docket, but I guess between us all we can sort out  
7 (inaudible) if you need to.

8 MR. PADILLA: Mr. Examiner, we also have  
08:35:30 9 hearings in other EGL Resources and Matador matters where  
10 we do have competing applications. So we are set for  
11 October 21st so it makes sense to move this one to October  
12 21st.

13 EXAMINER BRANCARD: Okay. So let's continue  
14 this case, these two cases to October 21.

15 (Note: Audio issue discussed with reporter.)

16 EXAMINER BRANCARD: Okay. I'm going to try  
17 to...

08:36:30 18 All right. I have an unreliable headset at  
19 this point, as well as other problems.

20 Okay. Let's go to October 21st, then, for  
21 Cases 22114, 22115.

22 MR. FELDEWERT: Thank you.

23 Mr. PADILLA: Thank you, Mr. Examiner.

24 (Time noted 9:17 a.m.)
