1	HEARING OFFICER BRANCARD: All right. Our
2	last two cases of the day. Saving the best for
3	last, Cases 22877, 22878, Tap Rock Operating.
4	MR. RODRIGUEZ: Hi. Good morning.
5	Michael Rodriguez with Tap Rock Operating LLC.
6	HEARING OFFICER BRANCARD: And an entry of
7	appearance for COG Operating.
8	MS. MUNDS-DRY: Thank you, Mr. Hearing
9	Examiner. Ocean Munds-Dry with COG Operating, LLC.
10	HEARING OFFICER BRANCARD: Are there any
11	other entries then for Cases 22877, 22878?
12	Hearing none, Ms. Munds-Dry, does COG
13	object to this case going forward by affidavit?
14	MS. MUNDS-DRY: COG does not object to
15	this case going forward. And, in fact, we've signed
16	an agreement with Tap Rock so we believe we will no
17	longer be pooled in this case.
18	HEARING OFFICER BRANCARD: Okay.
19	Hearing that, Mr. Rodriguez please
20	proceed.
21	MR. RODRIGUEZ: Thank you. And
22	Ms. Munds-Dry is correct. The exhibit should
23	reflect that COG is no longer a pooled party in
24	these two cases.
25	And with that, these cases seek orders

Page 3

1	pooling all uncommitted interest within the Bone
2	Spring and Wolfcamp formations in Lea County, New
3	Mexico. Specifically, Case No. 22877, Tap Rock
4	requests an order pooling all uncommitted interests
5	in the Red Hills, Bone Spring North pool within the
6	Bone Spring formation underlying a 240-acre
7	horizontal spacing unit comprised of the W/2W/2 of
8	Section 1 and the W/2NW/4 of Section 12 in Township
9	24 South, Range 34 East. And it seeks to dedicate
10	this unit to it's Dingo Federal Com 11H, 115H and
11	121H Wells.
12	In Case No. 22878, Tap Rock requests a
13	pooling order in the Antelope Ridge; Wolfcamp pool
14	within the Wolfcamp formation underlying a similar
15	240-acre horizontal spacing unit within the same

240-acre horizontal spacing unit within the same acreage directly below the Bone Spring unit. seeks to dedicate this unit to the Dingo Federal Com 131H and 201H.

16

17

18

19

20

21

22

23

24

25

Exhibit packet submitted in these cases are identical and contain the compulsory pooling checklists. Exhibit A which is the landman's testimonies and related exhibits. Exhibit B which is the geologist's testimony and related geology exhibits. And the notice exhibits can be found in A-7, which contains a sample notice of hearing

Page 4

1	letter and the tracking list and the current status
2	of the parties who are notified of this hearing via
3	certified mail. In Exhibit A-8 is the affidavit of
4	publication, these two exhibits demonstrate that all
5	motion requirements for these applications have been
6	met.
7	And with that, I ask that Exhibits A
8	through A-7 and B through B-6 be admitted into the
9	record, and Cases 877 and 878 be taken under
10	advisement.
11	HEARING OFFICER BRANCARD: Thank you.
12	Ms. Munds-Dry, any questions?
13	MS. MUNDS-DRY: No questions and no
14	objections. Thank you.
15	HEARING OFFICER BRANCARD: Thank you.
16	Mr. Lowe?
17	TECHNICAL EXAMINER LOWE: Good morning.
18	MR. RODRIGUEZ: Good morning.
19	TECHNICAL EXAMINER LOWE: I'm looking at
20	your exhibits for the latter case, the case 22878.
21	That case is for the Wolfcamp formation; is that
22	correct?
23	MR. RODRIGUEZ: Yes, that's right.
24	TECHNICAL EXAMINER LOWE: And I'm looking
25	at your C-102s here and it looks like well,

1	what's the pool on the formation that these wells
2	are being I mean, I know it's Wolfcamp but what's
3	the pool code?
4	MR. RODRIGUEZ: So the pool for the
5	Wolfcamp is, the pool code is 2220. And that is for
6	the Antelope Ridge; Wolfcamp pool. And for the Bone
7	Spring, it is the Red Hills; Bone Spring North, pool
8	code 96434.
9	TECHNICAL EXAMINER LOWE: Okay. In
LO	general, I understand Wolfcamp formation to be gas.
L1	And is that, I think the Antelope 1, is that 40-acre
L2	spacing units; is that correct?
L3	MR. RODRIGUEZ: That's my understanding.
L4	TECHNICAL EXAMINER LOWE: Okay. Sorry,
L5	I'm still looking through your C-102s here and the
L6	Well No. 201H.
L7	Okay. Those are my questions for now.
L8	Thank you, sir.
L9	MR. RODRIGUEZ: Thank you.
20	HEARING OFFICER BRANCARD: Thank you.
21	Mr. Rodriguez, just looking through your
22	exhibits for 877, I notice well, I think it just
23	cut off your Exhibit A-3 on 877. There's no
24	indication of what those asterisks mean. On 878,
25	the exhibit does indicate what those asterisks mean,

1	but I think these are just RA2R already committed;
2	is that correct?
3	MR. RODRIGUEZ: Which page are you looking
4	at?
5	HEARING OFFICER BRANCARD: I'm looking at
6	page 15 of 877.
7	MR. RODRIGUEZ: I think that is supposed,
8	those asterisks are supposed to indicate what's on
9	the following page, that final interest are subject
10	to division order title verification.
11	HEARING OFFICER BRANCARD: You look at
12	878, the same has actually a little legend.
13	MR. RODRIGUEZ: Yeah, you're right.
14	That's right.
15	HEARING OFFICER BRANCARD: More
16	importantly, I'm looking at A-6. Yeah, this could
17	be a typo. I think Exhibit A-6, your letter to all
18	interested parties.
19	MR. RODRIGUEZ: Yeah, I believe these
20	cases were continued. Is that what you're talking
21	about, the date?
22	HEARING OFFICER BRANCARD: The date is
23	July 19th which is two days ago. So I don't know if
24	that's an automatic date thing or what. You know,
25	when you go to the next page, it seems to indicate

1	that they were mailed on June 10th.
2	MR. RODRIGUEZ: Right.
3	HEARING OFFICER BRANCARD: But the letter
4	that you have is July 19th.
5	MR. RODRIGUEZ: Yeah, I don't think I
6	updated that. I try to be fancy with the autofill
7	and I believe that didn't autofill. It's a user
8	error.
9	HEARING OFFICER BRANCARD: So if you can
10	get us a copy of that letter which has the correct
11	date, which is the probably June 10th, Exhibit A-6.
12	MR. RODRIGUEZ: I can absolutely do that.
13	HEARING OFFICER BRANCARD: So again
14	looking on A-6, that page that has your tiny print
15	on your postal service information, what is Chevron
16	here? Is that the "Attention MCBU land" is that
17	Chevron? I don't see Chevron on here.
18	MR. RODRIGUEZ: That's their address. So
19	sometime assuming that's the Chevron entity. And I
20	do know that Tap Rock and Chevron have been in
21	discussions. They're certainly on notice of this
22	hearing. And I believe we just need a JOA to be
23	signed shortly if it hasn't already, but that is
24	their address.
25	HEARING OFFICER BRANCARD: Yeah, I think

Page 8

1	you're right. That is their address, Smith Street.
2	It just doesn't say Chevron so it's a little
3	confusing what you got back from the post total
4	service or whoever compiled this. That's all.
5	And so you know we were going to ask this
6	and yet you didn't address this, which is, is there
7	concern with stranding acreage there in Section 12
8	down near the southwest quarter?
9	MR. RODRIGUEZ: I did anticipate that
10	coming up and so I had a few conversations prior to
11	this hearing earlier this morning about it. So I
12	believe there is already development directly in the
13	tracks directly below the southwest quarter of the
14	northwest quarter; is that correct? Section 12,
15	direct below where we proposed development. So that
16	would be the, let me make sure I got my land math
17	right.
18	HEARING OFFICER BRANCARD: It's the
19	W/2SW/4 I think is what it is. This is the same
20	tract for both cases, right?
21	MR. RODRIGUEZ: That's right.
22	HEARING OFFICER BRANCARD: So you have the
23	W/2 of the $NW/4$, so it's the $W/2$ of the $SW/4$.
24	MR. RODRIGUEZ: Yes, that's correct.
25	HEARING OFFICER BRANCARD: So if you could

1	just get us something that says, yeah, people are
2	developing that.
3	MR. RODRIGUEZ: Sure.
4	HEARING OFFICER BRANCARD: That's all we
5	need to know.
6	MR. RODRIGUEZ: I can do that.
7	HEARING OFFICER BRANCARD: All right.
8	Thank you.
9	Are there any other persons here for cases
10	22877, 22878?
11	All right. Hearing none, Mr. Rodriguez,
12	we can take we can accept your exhibits into the
13	record and take these cases under advisement. You
14	will get us our revised letter for A-6 that has the
15	date on it. And then just a statement from somebody
16	maybe your landman about the acreage that we
17	discussed.
18	MR. RODRIGUEZ: Great. I'll have that
19	this afternoon.
20	HEARING OFFICER BRANCARD: Thank you.
21	MR. RODRIGUEZ: Thank you.
22	(Proceedings concluded.)
23
