Case No. 22540

**UNOPPOSED MOTION TO VACATE PRE-HEARING ORDER
AND SET A STATUS CONFERENCE**

Rockwood Resources, LLC (“Rockwood”), Christine Brock, and Rebecca J. Babbitt (collectively referred to herein as “Rockwood Group”), through its undersigned attorneys in the above referenced matters, moves the New Mexico Oil Conservation Division (“Division”) to vacate the pre-hearing order dated September 16, 2022, that has set these cases for a contested hearing on December 15, 2022, and request instead that the Division hold a status conference at the December 15, 2022, docket.

The parties are engaged in reaching a settlement agreement and have made substantial progress toward seeing the agreement through. Consequently, Rockwood anticipates the matter will be resolved and requests a status conference to allow time for final steps to enact the resolution. Counsel for Mewbourne Oil Company agrees to this Motion.

Respectfully submitted,
