Re: Mineral interest of:
Jonathan Samaniego/ BlackGold Developers LLC/ American Energy Resources LLC.

Unit K, Section 8, Township 22 South, Range 27 East, Eddy County New Mexico

Dear Sirs:

Please be advised that Jonathan Samaniego/ BlackGold Developers LLC/ American Energy Resources LLC who owns approximately 320 acres more or less of mineral interest in oil and gas production previously leased to Cities Service Oil Company and held by production by operation of the Pasley A Com #001 well located as described above is formally Terminating the leased interest of lessee including all successors in interest, including Oxy USA WTP Limited Partnership, as a result of the well not producing in paying quantities and non payment and failed bona fide attempt of proper payment of the interests claimed, breach of the oil & gas lease, and the non payment of shut in royalty payments for Apr, Oct, Nov, Dec. of 2021, Jan – Dec that being 12 consecutive months in 2022, and Jan, Feb, Mar of 2023 and not following Division orders of all proceeds being placed in an escrow account.

Any funds held in suspense or in an escrow account from previous operations of these well and owed to the interest claimed by Jonathan Samaniego/ BlackGold Developers LLC/ American Energy Resources LLC. Should be forwarded to the law firm of Candelaria law in Albuquerque, N.M. 87102

Thank you for your help.

Very truly yours.
Jonathan Samaniego
BlackGold Developers LLC.
American Energy Resources LLC.
