Case Nos. 24189 & 24190

ORDER GRANTING MOTION TO CONTINUE

This order follows Mewbourne Oil Company's (Mewbourne) Motion to Continue and being otherwise fully apprised in the matter **FINDS AND ORDERS**:

- 1) Mewbourne filed its applications for compulsory pooling on February 5, 2024 and the matters were scheduled for a hearing by affidavit on the Oil Conservation Division's March 7, 2024 docket.
- 2) At the March 7, 2024 hearing, Mewbourne was advised that corrections must be made to the exhibits before the case could be taken under advisement.
- 3) Mewbourne filed a continuance to the April 18, 2024 docket to pool additional people and avoid having an order issued and then having to amend it.
- 4) The Division granted Mewbourne's motion to continue until the April 18, 2024 docket.
- 5) Mewbourne now requests that the matters be continued to the Examiner's hearing docket scheduled for June 13, 2024, because notice issues have not been finally resolved.

WHEREFORE, good cause supports granting the Motion and these cases shall be set on June 13, 2024 during the Division's regular docket. In addition, Mewbourne shall file revised exhibit packages five business days before the June 13th hearing.

IT IS SO ORDERED
