**OIL CONSERVATION DIVISION'S
MOTION TO CONTINUE HEARING TO DECEMBER 19, 2024**

The New Mexico Oil Conservation Division (“OCD”) moves to reschedule the continue the hearing in this matter to December 19, 2024, and states the following in support thereof:

1. On July 9, 2024, OCD docketed the Notice of Violation issued to Tarco Energy, LC (“Tarco”), OGRID #279579, and served the docketing notice on Tarco by certified mail and electronic mail.
2. OCD in the docketing notice stated that the informal resolution period had expired without resolution of the NOV.
3. Shortly after OCD served the docketing notice, Tarco’s president contacted OCD’s counsel and requested additional time to review the NOV and discuss an informal resolution with OCD. Since, then OCD has had further contact with Tarco’s president and need to extend time to continue to negotiate a possible settlement regarding this NOV.
4. OCD requests to continue the hearing date to December 19, 2024.

Respectfully submitted,
