CASE NO. 24944

MOTION TO DISQUALIFY A HEARING EXAMINER FOR LACK OF IMPARTIALITY

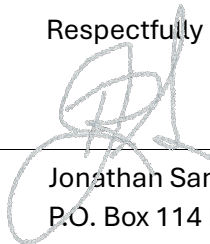

American Energy Resources LLC (AER), through statute **19.25.2.14** requests to disqualify hearing examiner for lack of impartiality.

Before the scheduled status conference, the hearing examiner singled out AER and demanded evidence of AER ownership be presented.

The hearing examiner failed at his duties with great disregard to the hearing procedures, and has shown bias towards AER an involved party, by demanding evidence from AER before a scheduled hearing and only requesting from AER to present evidence of ownership.

Disqualifying the hearing examiner from hearing case #24944 is the only remedy to proceed with a fair hearing and to prevent future harm to an effected party.

Respectfully Submitted,

Jonathan Samaniego
