Dear Mr. Grubbs:

This fire flare has been issued a 1RP-4630. The final C-141 will not be accepted until NMOCD receives laboratory analyses of a soil sample taken from the burned pasture.

Thanks,

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
