Good Afternoon,

Here you go sir. Have a great day!

My apologies on not sending June's report, but they are noted below as well. The first week of July I was out on vacation.

If you have any questions please let me know.

**Subject:** Totals for the year to date

Hi Carl, hope all is well with you?

Here is an update to the totals. I went back looking to see if I had sent it at the end of September but could see that I did.

Say hi to Jim for me.

Take care

Dave

David:

Good afternoon.

I notice the relative percent difference in brine vs. fresh water from the months of May and June exceed 15%.

Is there something going on that explains the difference?

Thank you.
