Teresa Jackson,

Hello, my Name is Dylan Rose-Coss. I am the new OCD District 1 spills manager and will be processing C-141's for the Hobbs office going forward. Thank you for notifying the OCD as to the release at Jennifer H Unit. However, when I opened the attached C-141 word document, there was nothing on the page. Something must have happened somewhere along the way with the document, would you be able to re-send the form?

Thanks,

**Dylan Rose-Coss**

The Jennifer 361H API # 30-04120978 - had a fire on the well location causing a spill of oil of 5BBLS and produced water of 10BBLS. I have attached the report.

Should you have any questions please let me know.
