Bob,

The NMOCD tracking number for this event is 1RP-5460.

I am the new OCD District 1 Environmental Specialist and will be handling all of the Lea County C-141 events for the time being, so please feel free to reach out if you have any questions.

Thanks,

Dylan Rose-Coss

Please find attached a copy of the C-141 providing notice of the release of produced water inside the lined containment at the Chiso 14 State Tank Battery.

It is classified as a Major Release - 40 BBL total.

All of the fluid was recovered out of the lined containment, it's a relatively new tank battery.

If you have questions, please don't hesitate to contact me.

Thanks,
Bob.
