Dear Ms. Venegas:

In accordance with the rules and regulations of the NMOCD, Terracon Consultants Inc., (Terracon) on behalf of our client Solaris Water Midstream LLC (Solaris) submits this Extension Request letter. This letter request is being sent to you to grant an extension for completion of soil remediation, site restoration, and submittal of a Final Closure Report for the Solaris-Okeanos #1 SWD Flowback Line Release (1RP-5407).

The release was discovered was on February 23, 2019. Mr. Rob Kirk of Solaris submitted the Initial Response Form C-141 on March 8, 2019 via electronic mail to EMNRD-OCD-District1spills@state.nm.us address provided by the New Mexico Oil Conservation Division (NMOCD). On March 27, 2019, Amalia Bustamante of the NMOCD District II Office in Artesia, NM replied to Mr. Kirk's email and provided Order Number 1RP-5407.

On April 26, 2019, Mr. Kirk submitted the Release Investigation and Remedial Action Plan to NMOCD via electronic mail for approval. Presently, the NMOCD is reviewing the plan with subsequent approval pending.

Since the 90-day grace period will soon end, the unknown status of the Release Investigation and Remedial Action Plan review and approval, and the availability of all stakeholders involved are the main reasons for submitting this request.

If you should have any questions, please do not hesitate to contact our office.

Sincerely,

Terracon
