All,

The NMOCD tracking number for the release at

State Land Lease 15 is **1RP-5580**
And for the
Elliott EM 20 Federal #001 is **1RP-5581**

NOTE: for these releases please submit documentation with the characterization/remediation report that explains how the release volume was estimated, and in the future submit the estimates with the initial C-141 notification. Also, it would be great if the C-141 submissions could be turned in on PDFs with higher resolution.

Thanks so much,

Dylan Rose-Coss
