**Subject:** RE: C-141 - SD EA 2932 Federal Comp P11 #014H - Nabors X30 Rig Oil Base Mud Release

All,

The NMOCD tracking number for this event is 1RP-5588.

Note: if no fluids were released from the secondary containment, and the containment's liner was found to be capable of containing fluids after it was cleaned, then you can go ahead and submit the closure page of the C-141 for this site.

Thanks,

**Dylan Rose-Coss**
