To Whom It May Concern:

Reference is made to the notification of Bottomless Pit Federal SWD #1, dated February 25, 2019, wherein Permian Oilfield Partners filed an application for authorization to inject into the referenced well located in Section 27, Township 24 South, Range 32 East, in Eddy County, New Mexico. We believe that the location of this disposal well is too close (within 1 mile) to our area of operation.

I have attached the notification, as sent by Permian Oilfield Partners which is the basis for XTO's objection. Should you have any questions, please do not hesitate to contact me or Michael Thompson at (432) 221-7357.

Respectfully,
