**Subject:** Notification of Withdrawn Protest for Application to Inject: Black Hole Federal SWD #1\_NGL

RE: Permian Oilfield Partners, LLC., Black Hole Federal SWD #1 (API 30-025-Pending; Admin. Appl. No pMAM1906344994) Unit M-31-25S-34E ENMPM, Lea County

Mr. Fisher

OCD was notified by NGL that they are withdrawing their protesting for this application. However, there are other parties who are still protesting the application who have identified as affected persons for the location being considered in the application. Therefore, if Permian Oilfield Partners, LLC., wishes for this application to be considered, the application must either go to hearing, or it may be reviewed administratively if the protests are withdrawn as a result of negotiated resolutions with the additional parties.

The application will be retained pending resolution of the protest. Please continue to provide OCD with information regarding the standing of this application. Please me call with any questions on this matter.

Regards,

**Dylan Rose-Coss**
