Good Morning Jenni,

The OCD has received the Closure Report for **MCA Battery 1, 1RP-4609**. This closure is approved.

Please let me know if you have any questions.

Thank you,

Cristina Eads

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
