Good afternoon, Mr. White.

Pursuant to applicable parts of the Oil Conservation Commission regulations 19.15.36 NMAC, the Oil Conservation Division (OCD) completed its review of your application for a commercial surface waste management facility NM1-66 North Ranch, located at Sections 9 and 10, Township 25 South, Range 34 East NMPM, Lea County, New Mexico, and issued a tentative decision of approval with conditions, dated February 28, 2020.

The OCD hereby rescinds the tentative decision for the North Ranch Surface Waste Management Facility issued on February 28, 2020, pending review of the amendment to include a slurry injection well, Stryker 4. The letter documenting this decision is attached. OCD will also post this decision to OCD Imaging (<http://ocdimage.emnrd.state.nm.us/imaging//AEOrderFileView.aspx?appNo=pBAJ1929437593>).

If you have any questions, please do not hesitate to contact me at (505) 670-8745 or susan.lucaskamat@state.nm.us.

RE: Rescinding Tentative Decision Regarding the Application for a Commercial Surface Waste Management Facility, Permit NMI-66, North Ranch Surface Waste Management Facility, Sections 9 and 10, Township 25 South, Range 34 East NMPM, Lea County, New Mexico

Mr. White,

Pursuant to applicable parts of the Oil Conservation Commission regulations 19.15.36 NMAC, the Oil Conservation Division (OCD) completed its review of your application for a commercial waste management facility at the location described above and issued a tentative decision of approval with conditions, dated February 28, 2020.

NGL Waste Services, LLC (NGL) notified OCD that they plan to permit a slurry injection well, Stryker 4, and amend the NM1-66 North Ranch Surface commercial surface waste management facility application to include this associated injection operation. As such, the OCD hereby rescinds the tentative decision for the North Ranch Surface Waste Management Facility issued on February 28, 2020 pending review of the amendment.

OCD will review the amended application, when submitted, and issue a new tentative decision after the review process is complete.

If you have any questions, please contact me by telephone at (505) 670-8745 or by email at Susan.LucasKamat@state.nm.us. On behalf of the Oil Conservation Division, I wish to thank you and your staff for your cooperation during this process.

Respectfully,

Susan A. Lucas Kamat
