Re: Annul Reports for 1R-2073, 1R-4643 and AP-102

Following review of the above mentioned sites, the following:

1R-2073 – APPROVE of routinely scheduled sampling and reporting arrangements

1R-4643-APPROVE of soil evaluations to take place, sand sampling schedules/plans and of discontinuing use of MDPE use

AP-102 – APPRVE of absorbent sock usage in wells with need, and sample scheduling and reporting plan

The Oil Conservation Division (OCD) appreciates your efforts.

Please keep a copy of this communication, as no paper copy will follow. It will take some time to upload these materials into imaging system.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
