LETTER OF CREDIT NO. 210391571

First National Bank [Name of Issuing Bank] (Issuing Bank), a corporation organized and existing under the laws of the State of New Mexico, and authorized to do business in the State of New Mexico with a duly appointed resident agent in the State of New Mexico, hereby establishes this Irrevocable Letter of Credit for the use and benefit of the Oil Conservation Division of the Energy, Minerals and Natural Resources Department (the "Division") pursuant to Section 70-2-12 NMSA 1978, as amended for an aggregate amount not to exceed \$Eighty-Four Thousand (\$84,000.00) [closure cost estimate] in United States dollars ("Face Amount") effective immediately. This Letter of Credit is established for J & L Landfarm, Inc. (an individual, partnership, or a corporation organized in the State of New Mexico, with its principal office in the City of Hobbs, State of New Mexico, and authorized to do business in the State of New Mexico), as PRINCIPAL.

The conditions of this obligation are such that:

1. The Principal has or may enter into the collection, disposal, evaporation, remediation, reclamation, treatment or storage of produced water, drilling fluids, drill cuttings, completion fluids, contaminated soils, BS&W, tank bottoms, waste oil and/or other oil field related waste in Section 9&10, Township 20 South Range 38 East, NMPM, Lea County, New Mexico (the Facility).
2. This Letter of Credit is irrevocable for a term of not less than five (5) years and is conditioned upon substantial compliance by the Principal with all applicable statutes of the State of New Mexico and all rules and orders of the Oil Conservation Commission and Division, and upon clean-up of the facility site by the Principal to the standards set by the Division.
3. This Letter of Credit will expire on (a) March 1, 2005 [not less than five (5) years from the effective date of the Letter of Credit] or (b) the date upon which sufficient documents are executed by the Division to release the principal from further liability for closure of the Facility with notice to the Issuing Bank by the Division accompanied by the original Letter of Credit with directions for cancellation. This Letter of Credit shall be forfeited and collected by the State of New Mexico if not replaced by other suitable financial assurance or Letter of Credit at least 90 days before the expiration date.
4. This Letter of Credit will remain effective until the (a) expiration date or (b) the operator (principal) replaces this Letter of Credit with another acceptable form of financial assurance or (c) the Division releases the Letter of Credit pursuant to Paragraph 3 above, whichever is earlier.
5. Funds under this Letter of Credit are available against the Division's sight draft, in the form of Exhibit A, specifying Letter of Credit No. 210391571 delivered to the office of the Issuing Bank at 600 W. Bender, Hobbs, NM 88240 [address]. At the Division's sole election, the Division may present sight drafts for less than the Face Amount of this Letter of Credit so long as the aggregate amount of all sight drafts does not exceed the Face Amount. Each draft must be accompanied by a certificate in the form of Exhibit B, purportedly signed by a duly authorized representative of the Division.

6. If the Issuing Bank receives the Division's sight draft(s) and certificate(s) as provided in Paragraph 5. above on or before the expiration or termination of this Letter of Credit, the Issuing Bank will pay such amount as the Division may specify, up to an aggregate amount not to exceed the Face Amount of this Letter of Credit available to the Division, no later than the close of business, Santa Fe time, on the second business day following the Issuing Bank's receipt of the sight draft and certificate and in such a manner as the Division may specify.

7. The Issuing Bank will give prompt notice to the Principal and to the Division Director of any notice received or action filed alleging the insolvency or bankruptcy of the Issuing Bank, or alleging any violations of regulatory requirements which are reasonably likely to result in suspension or revocation of the Issuing Bank's charter or license to do business.

8. This Letter of Credit will be governed by the laws of the State of New Mexico and shall be subject to the Uniform Customs and Practice for Documentary Credit, 1983 revision, International Chamber of Commerce Publication No. 500, as the same may be amended and in effect from time to time ("UCP").

9. All communications regarding this Letter of Credit will be addressed to the Issuing Bank at 600 W. Bender, Hobbs, NM 88240 [address], referencing Letter of Credit No. 210391571.
