Dear Mr. Willis:

Per our telephone conversation today, I am returning the materials you sent for the Blackwater Enterprises surface waste management facility. My understanding is that this facility will not be constructed and that you will submit a new application for a facility at a different location.

I will be in the Hobbs area the week of August 16th and perhaps we can get together and discuss things if you like.

If you have any questions do not hesitate to contact me at (505) 476-3492 or emartin@state.nm.us
