Dear Ms. Brown

We currently have a Hydrostatic Test Waters Discharge Permit (HBP-NM-008) Under the Amoco Pipeline Company name. We respectfully ask that you change your records to reflect our current name to be "bp Pipelines Inc." located at the address indicated on this letterhead.

Additionally the discharge permit is due for renewal this year and we would like to renew it if possible. Please let me know what will be required to do the renewal.

Sincerely,

Dear Ms. Brown:

Amoco Pipeline Company has reviewed the documents provided by you concerning the permit requirements for hydrostatic test discharges. It is our understanding that the New Mexico Oil Conservation Division has jurisdiction over these issues and that a renewable five year discharge permit can be issued. As such, Amoco Pipeline Company requests the issuance of such a permit for new pipelines, with the understanding that the following conditions are satisfied:

- a) The volume per test does not exceed 100,000 gallons.
- b) Fresh water from a water supply system or other potable source is used for the test.
- c) The discharge does not enter any lake, perennial stream, river or their respective tributaries that may be seasonal.
- d) Ground water is not less than 10 feet from the surface at the point of discharge.
- e) The discharge does not impact adjacent property.
- f) The discharge does not cause any fresh water supplies to be degraded or to exceed standards as set forth in section 3-103A, B, and C of the New Mexico Water Control Commission Regulations.
- g) A monthly report, summarizing all tests of new pipe with less than 100,000 gallons each, will be submitted to the OCD and will contain the following information:
 - 1) Location of test - Section, Township, Range
 - 2) Date of Test
 - 3) Volume of discharge
 - 4) Source and quality of test water

In cases where hydrostatic test of new pipelines do not meet these conditions, or the testing of old pipelines, a project specific permit will be applied for with the OCD.

If you have any comments, or questions, please do not hesitate to contact me at (806)897-7017.

Sincerely,

A handwritten signature in cursive script that reads "Jim Lutter".
