Subject: Permit to Discharge Hydrostatic Test Water from Used Pipe Into a Lined Pit  
Located at NE/4, Sec. 33, T25S, R15W, Grant County, New Mexico.

Dear Mr. Anderson:

El Paso Natural Gas Company (EPNG) plans to conduct a hydrostatic test of its 1004 line in the Deming area. EPNG proposes to dispose of approximately 220,000 gallons of test water from this pipeline into a lined pit located at NE/4, Sec. 33, T25S, R15W, Grant County, New Mexico.

EPNG is seeking NMOCD approval to discharge of the test water in the previously mentioned manner. Should you have any questions concerning this matter, please feel free to contact me at 915/541-2323.

Sincerely,

Philip L. Baca, P.E.  
Sr. Compliance Engineer
