Re: Pit Closures Eunice NM Area

Dear Mr. Hendrix:

New Mexico Oil Conservation Division (NMOCD) is in receipt of John H. Hendrix Corp's (JHHC) pit closure reports for the four pits in the Eunice, NM as referenced above and submitted by Mr. Eddie Seay on December 4, 1998. **The NMOCD hereby approves of this closure plan and requires no further action at this time.**

Please be advised that NMOCD approval of this closure plan does not relieve JHHC of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD approval does not relieve JHHC of responsibility for compliance with any other federal, state, or local laws and/or regulations.

If you require any further information or assistance please do not hesitate to write or call me at (505-827-7155).

Sincerely Yours,
