RE: BUCKEYE PIPELINE SPILL

Dear Mr. Ince:

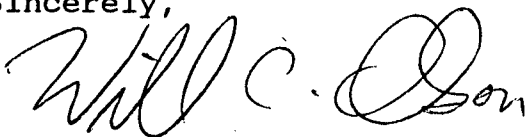

The New Mexico Oil Conservation Division (OCD) has completed a review of Mobil Pipeline Line Company's (Mobil) September 30, 1995 "SPILL REPORTED: 3-9-95, SE4/SEC 26/T17S/R35E, LEA COUNTY, NEW MEXICO". This document contains Mobil's report on remediation of soils involving a pipeline spill in Buckeye, New Mexico

The above referenced remediation report is approved.

Please be advised that OCD approval does not relieve Mobil of liability if remaining contaminants pose a future threat to surface water, ground water, human health or the environment. In addition, OCD approval does not relieve Mobil of responsibility for compliance with any other federal, state or local laws and/or regulations.

If you have any questions, please call me at (505) 827-7154.

Sincerely,

William C. Olson
Hydrogeologist
Environmental Bureau
