CASE # 1R0188

Dear Wayne:

Your letter of November 18, 2000 required Orbit Enterprises to submit a closure report on the Humble Federal Lease NM-0533777-A by December 29, 2000. On December 26, 2000 I called your office to request a 30-day extension in the matter and no one was available because of the holidays to entertain my request. In our telephone conversation today, you approved the extension until January 29, 2001. This letter is to confirm the extension. If you have any questions, or I can be of further service, please call.

Sincerely,

Bob Allen CHMM, REM, CET, CES

Gentlemen:

New Mexico Oil Conservation Division (NMOCD) representative inspected during routine housekeeping an unlined surface impoundment on the two locations referenced above.

At this time NMOCD is requesting that a pit closure and remediation plan be submitted for both locations, to our office. We require your response within 30 days of receipt of this notice.

To assist you in this matter, we are enclosing a copy of the NMOCD Guidelines for pit closures. If you have any further questions, or need any assistance please do not hesitate to write or call me at (505-393-6161 ext... 113).

Sincerely,

Donna Williams  
Environmental Engineer
