Ed:

This e-mail is in reference to our phone conversation regarding excavation activities at the Ballard Grayburg release site located in Sec. 10, T18S, R29E in Eddy County, NM. You granted verbal approval not to excavate the north sidewall due to possible loss of the monitor well in the area. I have not received or I have lost my hard copy of this approval. Would you please send me a hard copy for my records?? As always if you have any questions contact me at 505-441-0965.

Sincerely,

Camille

**Subject:** Notification of Groundwater Impact

2R-53

Dear Mr. Martin:

Plains All American Pipeline submits this notification of groundwater impact due to a crude oil release at the Ballard Greyburg 5" #2 Release Site. The site is located in Unit M of Section 10, Township 18 South, Range 29 East of Eddy County, New Mexico. This submittal follows verbal notification made by Camille Reynolds on October 21, 2004. Further delineation of the site is in progress. Upon completion of delineation at the site a work plan detailing activities conducted at the site will be submitted to your office. If you have any questions or concerns regarding this matter please contact me at 505-441-0965.

Sincerely,

Camille Reynolds  
Environmental Coordinator  
Plains All American
