**RE: VALDEZ "A" #1 MONITOR WELLS
SAN JUAN COUNTY, NEW MEXICO**

Dear Mr. Shaw:

The New Mexico Oil Conservation Division (OCD) has completed a review of Amoco's September 21, 1992 correspondence requesting permission to abandon four monitor wells on Amoco's Valdez "A" #1 location based upon laboratory analyses demonstrating the lack of any ground water contaminants.

The above referenced monitor well abandonment is hereby approved. The OCD requires that the monitor well casing and screen be removed and disposed of properly unless the landowner wishes to retain possession of the monitor wells.

Please be advised that OCD approval does not relieve Amoco of liability for compliance with any other laws and/or regulations.

If you have any questions, please contact me at (505) 827-5885.

Sincerely,

A handwritten signature in cursive script, appearing to read "William C. Olson".
