Att'n.: Mr. R. R. Spurrier, Secretary-Director

Gentlemen:

The Westates Pet. Corp., lessee under Government Lease No. 052956 of the NE $\frac{1}{4}$ of NE $\frac{1}{4}$, Sec. 6, 25 S, 37 E, N. M. P. M., does hereby request exception to the spacing regulation of Commission Regulation R-520, Rule 2 under the condition for granting same set forth in Rule 3, as below:

1. Wells B 6 no. 1 is located 330' from the north and east lines of Sec. 6, 25S, 37E. This unorthodox location was occasioned by the original completion as an oil well, depletion of the same and re-completion as a gas well previous to gas proration in the State of New Mexico.
2. All operators within a 1980' radius of this well have been furnished with a copy of this application and a list of their names and addresses is a part of this application.

A regular allotment for this 40 acre tract is respectfully requested under the Rules of this Order for proration of gas.

Respectively submitted:

WESTATES PET. CORP.
