Re: Cancellation of NSP-181
and DC-226

Gentlemen:

Reference is made to your Form C-103, submitted prior to November 4, 1955, from your Hobbs office reporting "Repair of Casing Leak" in your Elbert Shipp B Well No. 1, in the NW/4 SW/4 of Section 8, Township 19 South, Range 37 East, Monument Pool, Lea County, New Mexico.

We issued by Administrative Order NSP-181 on August 30, 1955, for this well for the SW/4 of Section 8 for 160 acres in the Eumont Gas Pool. On August 25, 1955, we issued Administrative Order DC-226 for dualling the Queen formation of the Eumont Gas Pool and the Grayburg formation of the Monument Pool.

Effective this date, NSP-181 and DC-226 are cancelled due to mechanical difficulties and your request as outlined on your Form C-103.

Very truly yours,

W. B. Macey
Secretary-Director
