Re: Annual Reports for 2019 an AP-120 and AP-103

Following review of above indicated reports, the following:

AP-120 – The Oil Conservation Division (OCD) APPORVES of continued sampling and reporting as indicated in recommendations

AP – 103 – OCD APPROVES of ISEB alterations in use and continued assessment of use, as well as requested changes in report as regards monitor well sampling and reporting.

OCD appreciates your efforts. Please keep a copy of this communication, as no paper copy will follow. It will take some time for this information to be uploaded into imaging file.

Sincerely,

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
