Re: Jal 2019 GW Report AP-101

Dear Mr. Wiley,

Having reviewed the above indicated report, the following:

The report indicates to continue as is and with scheduled sampling and reporting. The Oil Conservation Division (OCD) APPROVES this plan.

Please keep a copy of this communication, as no paper copy will follow.

OCD appreciates your efforts.

Sincerely,

Bradford G. Billings

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
