NDHR1918658476 PIPER SWD @ FDHR1918658363

Mr. Tijerina,

The OCD has approved the Site Characterization and Remediation Plan for incident # NDHR1918948878 with the following conditions:

- Goodnight Midstream will excavate impacted soil present within the floor of the excavated area beneath the former salt water disposal containment in the areas characterized by sample points Floor 2, Floor 4, Floor 5, Floor 8 and Floor 9 an additional 1 Ft.

The signed C-141 can be found in the online image data base under the incident #.

Thank you,

Cristina Eads

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
