Ms. Pruett,

Please see the attached C-141 Initial for the Shaqutus 26 State Com #1H. It has come to my attention that an initial notification may not have been sent for this release. I apologize for this error. We are transitioning new administrative staff and environmental staff to the Delaware Basin. Brett Fulks has transitioned out of his role in environmental to a supervisory role with another group. I will be the contact, moving forward, for environmental issues. I understand this error is not the optimal situation and I apologize for the inconvenience. I am actively working on ensuring we are in compliance during this transition. If you have any questions or concerns please feel free to contact me.

Thank you,

Amanda T. Davis
Environmental Representative
