Kendra,

We are unable to process the C-141 forms you are sending in. The way you electronically sign the document, locks it for anyone else to be able to sign. Please get with your IT folks to get this resolved. At this time, Devon is the only operator we have this issue with. Amalia was able to do a "work around" on the last few that were submitted, but it is time consuming and we just don't have the resources to fix this issue every time you send one in.

Thank you,
