Wade,

We have received your Workplan/Remediation Proposal for **2RP-5283, 2RP-5284, and 2RP-5285 Harroun 9 1 CTB**, thank you. This Workplan/Remediation proposal is approved. The request for variance to place an impermeable liner in the bottom of the 4-foot excavation area is approved.

Please let me know if you have any further questions.

Regards,

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
