Subject: [EXT] XTO Extension Request -Hudson 1 Fed Com 008H (Incident Number NRM2020232730)

All,

XTO is requesting an extension of the current December 30, 2020 deadline for submitting a remediation work plan or closure report required in 19.15.29.12.B.(1) NMAC for the Hudson 1 Fed Com 008H (Incident Number NRM2020232730). The release was discovered on July 3, 2020 and remediation activities commenced on July 16, 2020. An initial extension was granted due to on-site drilling operations. Additional work was initiated on September 16, 2020. Delineation activities are currently ongoing and an access permit to drill off pad from BLM is pending. In order to complete the delineation activities and submit a remediation work plan or closure report, XTO requests a 90-day extension of this deadline until March 30, 2021.

Thank you,
Korey
