Gentlemen:

I am enclosing herewith letter from Mr. Elvis A. Utz, Oil Conservation Commission, Santa Fe, New Mexico, wherein he points out two discrepancies in the one well bond form 39-B1 which you handled for us several days ago.

Following Mr. Utz's suggestion, I have shown the parties that Mr. Stephens acts as their agent in the bond form proper, same being William L. Harmonay, 567 Yonkers Avenue, Yonkers 4, New York, I. A. Stephens, 1502 Main Annex, Lubbock Texas, Gordon I. Logan, 40 Worth Street, New York, and Paul F. Lawlis, Paxton Building, Abilene, Texas. This is, of course, necessary information and should have been included originally.

As for the other matter pointed by Mr. Utz, it will be necessary that you submit the enclosed bond form to the resident New Mexico agent for Maryland Casualty Company inasmuch as Mr. N. G. Kissel appears to reside in Texas, not New Mexico.

Your immediate attention to this matter will be greatly appreciated. In view of the time element, it is suggested that you advise your resident New Mexico agent to execute this form properly, forward same by registered mail to the personal attention of Mr. Elvis A. Utz, P. O. Box 871, Santa Fe, New Mexico.

It will further be appreciated if you will kindly advise of the progress of this request.

Yours very truly,

  
Tom Gordon
