**Subject:** shapefiles for the Turner B South arch treatment plan

Gentlemen,

Attached are the shapefiles for the Linn Operating Arch Treatment Plan area that was defined on 01/23/13. This data is in NAD 1983 UTM Zone 13N. If you use a different coordinate system the data will need to be converted.

Also included is a layer file with the extension of .lyr that can be added to ArcMap applications.
