Bradley,

Your request for closure (2RP-2952) is approved. Federal sites require like approval by BLM.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

Subject: PLU 85 Closure Report

Mike, Heather

Please find the attached closure report for the PLU 85. If you have any questions please let me know.

Thank you,

Brad Blevins
