OCD Tracking: **2RP-3177** \* Date of release: 7/29/15

Greetings,

Your request for closure of the above referenced release is approved with the following condition of approval:

- A representative sample/samples are to be obtained from any impacted material proposed for re-use. OCD review and approval is required prior to re-use.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, please contact me.
